PADI BUBBLEMAKER & SEAL TEAM PROGRAMME

BUBBLEMAKER SESSION

The Bubblemaker session introduces scuba diving as an activity that allows kids to experience the underwater world. Under close supervision by a PADI Instructor, kids learn to use proper scuba gear before being allowed to swim around and have fun. **The cost is only £30**

THE SEAL TEAM COURSE

What is it? – The PADI Seal Team is for young divers who are looking for action-packed fun in a pool by doing exciting AquaMissions. PADI Seal Team is a pool-only experience, conducted by a PADI Professional. It's a fun activity for both boys and girls. It helps children learn responsibility and a respect towards the aquatic environment. AquaMissions 1–5 cover basic scuba diving skills, such as breathing underwater, clearing a mask of water, recovering a regulator and swimming around experiencing the sensation of being weightless. Complete these initial 5 AquaMissions and become a recognized PADI Seal Team Member.

Who can do it? – Any child over 8 years of age who is in good health and reasonably comfortable in the water can take part, no prior experience is necessary. If they have certain pre-existing medical conditions they may need a medical with their GP beforehand. We can advise with this if required. Parental approval is required.

MASTER SEAL TEAM COURSE

10 specialty AquaMissions, includes adventures like night diving, inner space, creature identification, search & recovery diving and skin diving.

They will learn about wrecks, navigation, buoyancy, underwater photography, environmental awareness and more. Here's their chance to do some cool stuff in the pool, meet friends and share in the adventure of the underwater world. Complete all of these and you'll become a PADI Master Seal Team Member – joining an elite group of young scuba divers.

THE COST

£30.00 Per child per session Or 5 sessions for £135.00
Each session lasts about an hour.

Seal Team Crewpack £45 – Including Certification.
