

# PADI DRYSUIT DIVER eLEARNING

## WELCOME TO YOUR DRYSUIT COURSE - TABLET BASED

The eLearning software integrates the PADI Drysuit Diver Manual with the PADI Drysuit Diver Video into an easy, tablet-based learning experience. After you have downloaded your eLearning materials, you don't need to be online to use it so you can truly learn anytime, anywhere. IOS and Android systems only (not kindle).

### STEP 1 REGISTER YOUR eLEARNING PACK

Once you have signed up to the course with us, we will assign your PADI eLearning™ to you. The following details in this PDF will take you through step-by-step how to create your account and access your home study.

You will receive an email from PADI with a link to register and access your materials. Click the **START NOW** button in your email to be taken to the PADI website.  
*For this you will need to be on Wi-fi or Data.*

**1 Sign In.**

**3 Enter Verification Code**  
Check your email and enter the code we sent in the box below.

**4 Enter your address.**  
We need your address to complete your certification information.

**5** Here you can Redeem your Access Code to start your home eLearning.

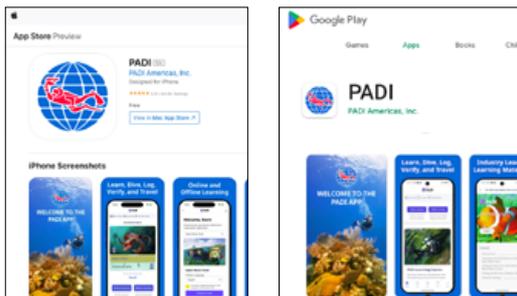

**1** First, if you don't already have one yet, you will need to **Create an account** *If you already have an account from doing previous eLearning courses, jump to STEP 2.*

**2** Enter your details on the next screen, make sure you use the email address you gave us at the centre, otherwise you will have problems, select your language then click the **Create an account** button.

**3** Once you have filled in the first section, you will be sent an email with a verification code, enter this into the next screen.

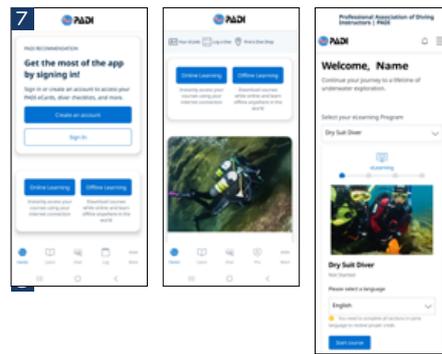

**4** You will now be asked to fill in your address details. After selecting **Next**, you will be taken to your dashboard.

### STEP 2 DOWNLOAD THE PADI APP

**6** Go to your device App Store, search for the free **PADI** app.

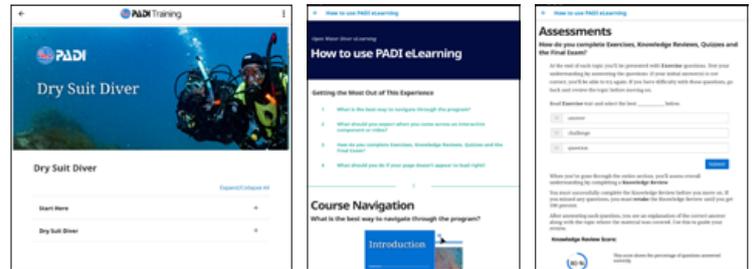

### STEP 3 START USING YOUR PADI eLEARNING

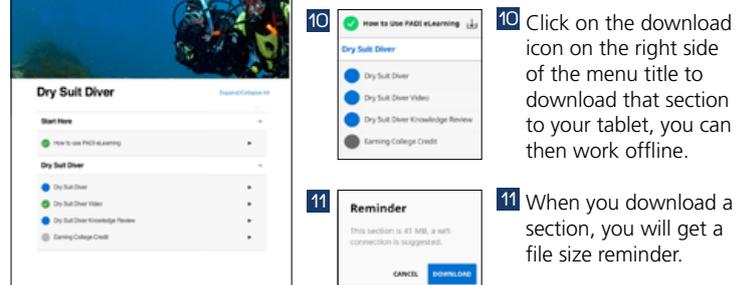

**7** Open the PADI App and **SIGN IN**. Use the email and password you used to register the products on the PADI website.

Select **DRYSUIT DIVER** from the Drop Down menu, then select **Continue Course**. Press **START HERE**.

**8** read the section **How to use PADI eLearning** information. Read through this thoroughly, it gives you a detailed demonstration on how to navigate the home study, and how to take the assessments.

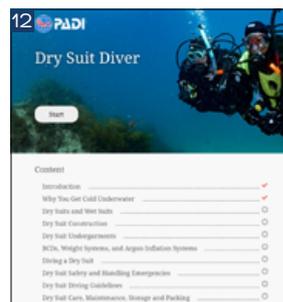

**9** The navigation menu makes it really easy to make your way through the home study.

**10** Click on the download icon on the right side of the menu title to download that section to your tablet, you can then work offline.

**11** When you download a section, you will get a file size reminder.

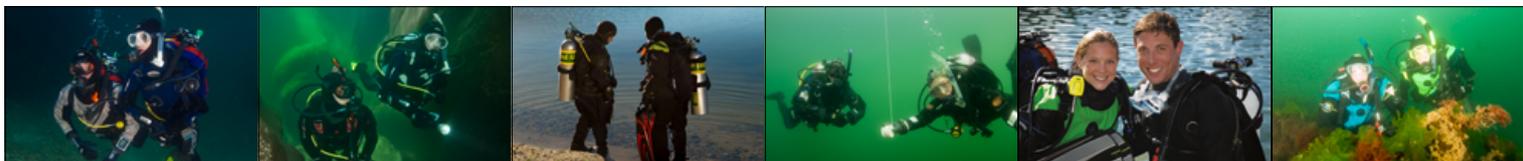

**12** Read through the Introduction, it gives you a grounding in what you are learning, what to expect from the eLearning materials and the course in general.

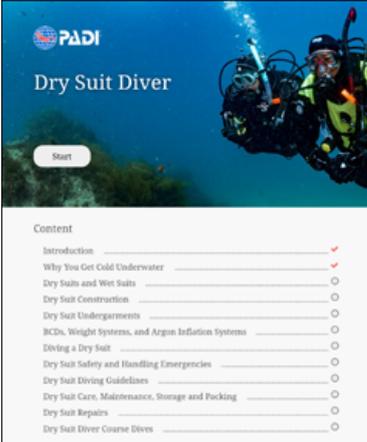

It will tell you how to get the most from the home study, and includes lots of information and advice about getting the most from your new skills.

## STEP 4 THE HOME STUDY

**13** 

**13** Make your way through the 11 sections at your own pace, keep scrolling down for all of the information, complete the Exercises as you go.

Watch the videos that appear as you make your way through the home study.

The navigation menu mentioned in the *Introduction Section* makes it easy for you to find your way around and go back to sections you want to read again.

**14** 

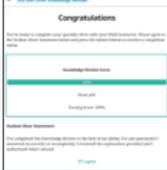

**14** **KNOWLEDGE REVIEW:** Once you have made your way through all of the sections there is a multi-choice Knowledge Review.

**15** Once you've answered all the questions, submit the results. After submission, you will see a confirmation screen

You need to be online to submit results

## STEP 5 KNOWLEDGE REVIEW

**14** 

**15** 

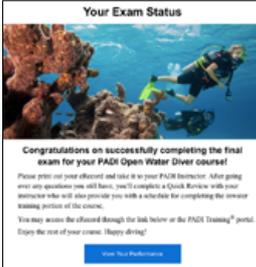

There may be more than 1 answer for these questions.

If the button is round, there is only one answer.

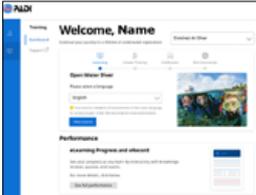

If the button is square, there is more than one answer.

Complete **ALL** of this before you come to us, and print out the summary result page to bring with you.

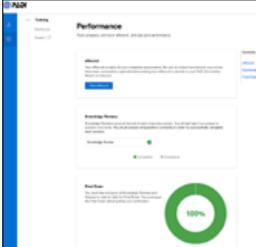

## STEP 7 COURSE COMPLETION & YOUR RESULTS

**16** 

**16** Once you have submitted the Knowledge Review results, you will get an email from PADI congratulating you on successfully completing. There is a blue button with **View Your Performance** on it, click it to go to your Training Dashboard to access your results on the eRecord.

**17** 

**17** Click the **See Full Performance** button to access your results page.

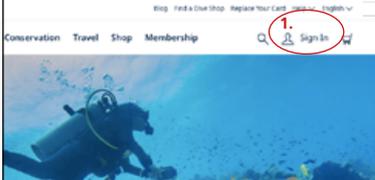

**18** 

**18** When this opens you will be able to see your scores for your Knowledge Review

If you click the **View eRecord** button you will access your complete record, this is what you will need to print off to bring with you on your first day at the centre
