

PADI OPEN WATER DIVER eLEARNING

WELCOME TO YOUR OPEN WATER COURSE - TABLET BASED

The eLearning software integrates the PADI Open Water Diver Manual with the PADI Open Water Diver Video into a powerful, tablet-based learning experience. After you have downloaded your eLearning materials, you don't need to be online to use it so you can truly learn anytime, anywhere. IOS and Android systems only (not kindle).

STEP 1 REGISTER YOUR eLEARNING PACK

Once you have signed up to the course with us, we will assign your PADI eLearning™ to you. The following details in this PDF will take you through step-by-step how to create your account and access your home study.

You will receive an email from PADI with a link to register and access your materials. Click the **START NOW** button in your email to be taken to the PADI website. For this you will need to be on Wi-fi or Data.

1 Sign In.
 Don't have an account? [Create an account](#)

2 Create a PADI account.
 Already have an account? [Sign In](#)

3 Enter Verification Code
 Check your email and enter the code we sent in the box below.

4 Enter your address.
 We need your address to complete your certification information.

5 PADI
 Welcome, Name

1 First, as you don't have one yet, you will need to **Create an account**

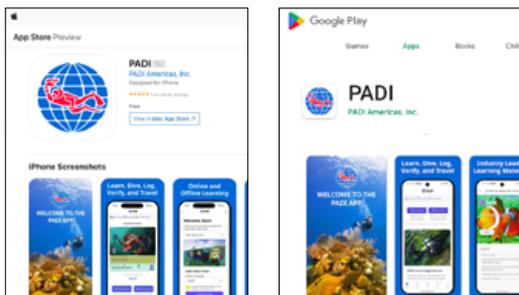

2 Enter your details on the next screen, make sure you use the email address you gave us at the centre, otherwise you will have problems, select your language then click the **Create an account** button.

3 Once you have filled in the first section, you will be sent an email with a verification code, enter this into the next screen.

4 You will now be asked to fill in your address details. After selecting **Next**, you will be taken to your dashboard.

5 Here you can Redeem your Access Code to start your home eLearning.

STEP 2 DOWNLOAD THE PADI APP

6 Go to your device App Store, search for the free **PADI** app.

STEP 3 START USING YOUR PADI eLEARNING

7 Open the PADI App and **SIGN IN**. Use the email and password you used to register the products on the PADI website.

Select **START COURSE** then open the How to use the PADI eLearning

8 Read through this thoroughly, it gives you a detailed demonstration on how to navigate the home study, and how to take the assessments.

9 The navigation menu makes it really easy to make your way through the home study.

10 Click on the download icon on the right side of the menu title to download that section to your tablet, you can then work offline.

11 When you download a section, you will get a file size reminder.

7 Open the PADI App and SIGN IN. Use the email and password you used to register the products on the PADI website.

Select **START COURSE** then open the How to use the PADI eLearning

8 Read through this thoroughly, it gives you a detailed demonstration on how to navigate the home study, and how to take the assessments.

9 The navigation menu makes it really easy to make your way through the home study.

10 Click on the download icon on the right side of the menu title to download that section to your tablet, you can then work offline.

11 When you download a section, you will get a file size reminder.

12 Read through the Introduction, it gives you a grounding in what you are learning, what to expect from the eLearning materials and the course in general.

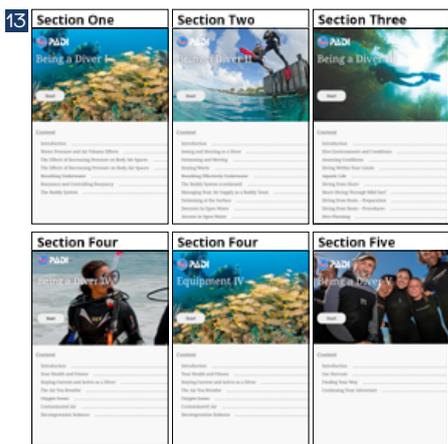

It will tell you how to get the most from the home study, and includes lots of information and advice about getting the most from your new hobby

PADI OPEN WATER DIVER eLEARNING

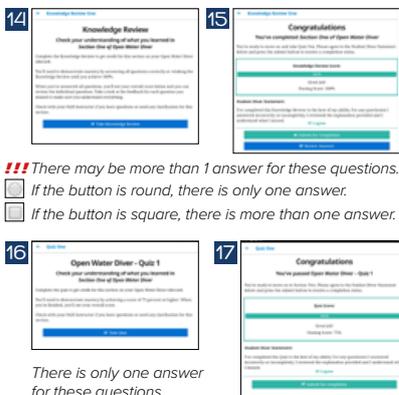

STEP 4 THE HOME STUDY

13 Make your way through the 5 sections, scroll down for all of the information, complete the Exercises as you go, watch the videos that appear as you make your way through the home study.

The navigation menu mentioned in the *Introduction Section* makes it easy for you to find your way around and go back to sections you want to read again.

STEP 5 KNOWLEDGE REVIEWS & QUIZZES

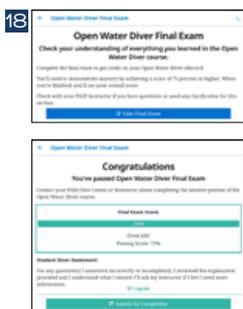

!!! There may be more than 1 answer for these questions.
 If the button is round, there is only one answer.
 If the button is square, there is more than one answer.

14 **KNOWLEDGE REVIEW:** At the end of each section there is a multi-choice Knowledge Review.
15 Once you've answered all the questions, submit the results. After submission, you will see a confirmation screen

16 **QUIZ:** After knowledge review 1-4 there is a multi-choice quiz. Submit the results as you go.

17 Confirmation screen
 You need to be online to submit results

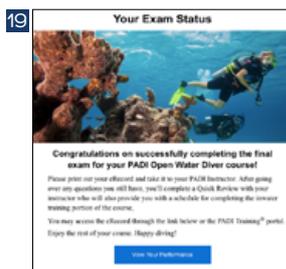

STEP 6 FINAL EXAM

18 **FINAL EXAM:** The fifth section has a Final Exam, instead of a Quiz. You will not be able to access the exam until you have completed and submitted ALL of the Knowledge Reviews and Quizzes. Remember to submit the result of your Exam.

Complete **ALL** of this before you come to us and print out your summary result page, but please remember we are here at the end of the phone, on email, or in the shop to answer questions and to help along the way.

STEP 7 COURSE COMPLETION & YOUR RESULTS

19 Once you have submitted the final exam results, you will get an email from PADI congratulating you on successfully completing the final exam for your PADI Open Water Diver course. There is a blue button with **View Your Performance** on it, click it to go to your Training Dashboard to access your results on the eRecord.

20 Click the **See Full Performance** button to access your results page.

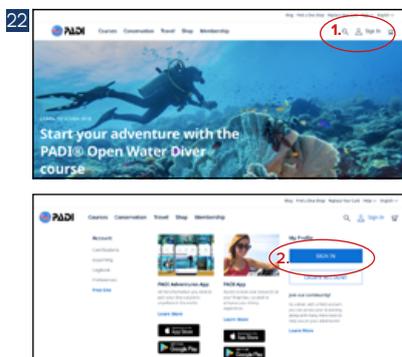

21 When this opens you will be able to see all of your scores, your Knowledge Reviews, your Quizzes and your Final Exam results.

If you click the **View eRecord** button you will access your complete record, this is what you will need to print out to bring with you on your first day at the centre

NOTE: you do not need to do the eRDPmi section, however feel free to learn it, it's great to know, but it is not required to complete the course with us.

INFO SIGNING BACK IN

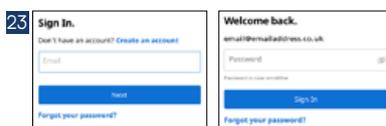

If you want to keep track of your scores and check they are submitting as you go through the home study, you will need to log back into the main website.

22 Go to **PADI.com**

1. Select the **SIGN IN** on the top right.

2. Choose **SIGN IN**

23 You will see the sign in screens, use the same email address and password you signed up with to access your dashboard in **STEP 7.**
