

## PADI FREEDIVER eLEARNING

### WELCOME TO YOUR PADI FREEDIVER COURSE - TABLET

PADI Freediver eLearning is an interactive study tool that gives you the background information you need to freedive safely and allows you to study at your own pace. After you have downloaded your eLearning materials, you don't need to be online to use it so you can truly learn anytime, anywhere. IOS and Android systems only (not kindle). The PADI Freediver eLearning also includes all learning materials for the PADI Advanced Freediver and Master Freediver courses.

#### STEP 1 REGISTER YOUR eLEARNING PACK

Once you have signed up to the course with us, we will assign your PADI eLearning™ to you. The following details in this PDF will take you through step-by-step how to create your account and access your home study.

You will receive an email from PADI with a link to register and access your materials. Click the **START NOW** button in your email to be taken to the PADI website.

## PADI FREEDIVER eLEARNING

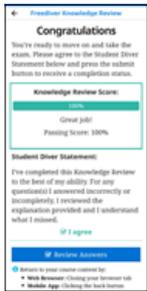

it

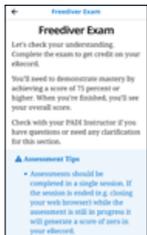

Read through the Introduction, gives you a grounding in what you are learning, and what to expect from the eLearning materials.

Make your way through the **FREEDIVER** sections at your own pace, keep scrolling down for all of the information, complete the quick quizzes as you go (these are the ones with answers). Watch the videos that pop-up as you make your way through.

At the end of the Freediver eLearning there is a **Knowledge Review**, these are multiple choice tests to make sure you are learning as you go, there may be more than one answer for the knowledge review questions.

Once you have completed the Knowledge Review, you will be prompted to take the **FINAL EXAM**.

Take **The Exam** at the end of the Freediver section, these are multiple choice questions, there is only one answer for these questions, submit the results of the exam to receive your confirmation email.

Complete **ALL** of these before you come to us and print out your summary result page, but please remember we are here at the end of the phone, on email, or in the shop to answer questions and to help

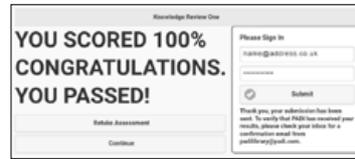

### STEP 4 SUBMITTING YOUR RESULTS

Once you have completed all of the questions, submit the results (you will need to be online to submit your results), after submitting the results, you will see a confirmation screen, you will also receive an email to confirm.

To submit your results, you will be asked to confirm your PADI Login.

Once you have completed the Knowledge Review, or Exam, you will need to submit the results, as previously mentioned, you will need to be online for this.

You will receive a confirmation screen that you have completed the section, enter your password to complete the submission. You will receive an email shortly after the submission from PADI to confirm that your submission was successful.
